Useful Information

Checking Your Statements

Please read through the entries on your statement. If you think something is incorrect, please contact us straight away on 0345 300 0000 and we will check it for you. The earlier you contact us regarding a disputed entry, the more we may be able to do. For example if you have a personal account, we may not be able to refund you if you tell us more than 13 months after the date of the payment. Take care when storing or disposing of information about your accounts

Interest rates

You can find out the interest rates that we have used to calculate the interest you have earned or been paid by clicking the 'Find out more about our interest rates and charges' link under your online statement, by visiting www.lloydsbank.com, or your local branch or by calling our interest rate line on 0845 300 0032 (8am-9pm Monday-Friday and 9am-5pm Saturday-Sunday).

Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

Personal Debit and Cashpoint® Card Charges

Whenever you use your card to withdraw cash or make a payment in currencies other than in sterling, the amount is converted to sterling on the day it is processed by Visa, using their standard exchange rate that day. We also include a foreign exchange fee of 2.99%.

Visa rates can change daily - you can call 0345 300 0000 (or +44 1733 347 007 if you are abroad) to find out the Visa rate on a particular day (please note this might vary from the rate applied to your payment).

Please check our Banking Charges guide, visit lloydsbank.com, call us on 0345 300 0000 or visit any Lloyds Bank Branch for the other charges that apply.
