An Example

Poppleton Scouts offer a "Christmas Post" service delivering Christmas cards in their local area.

The local cheese shop has offered to incentivise the process by donating cheese to the scouts who deliver the most cards.

Scouts get one "Poppleton Truckle" for every 25 cards they deliver, provided that over 500 cards are delivered.

The Scout Leader plans to display a list of the top five Scouts.

An Example

Poppleton Scouts offer a "Christmas Post" service delivering Christmas cards in their local area.

The local cheese shop has offered to incentivise the process by donating cheese to the scouts who deliver the cards.

Scouts get one "Poppleton Truckle" to deliver, provided that over 500 cards are delivered.

The Scout Leader plans to display a notice in the local area.
