# Updates for Huddersfield ISC Students

*Student wellbeing continues to be our priority. If any students require help or advice, please speak to your Progress Coaches or tutors, who are here to support you. There are also resources and further information on the P2P module on Brightspace.*

## Reminder: September Students in the UK

All September students in the UK have received an email inviting them to a short, but compulsory meeting each week. During this meeting we will update you on important information and answer any questions you have. There is also the option to wait at the end of the meeting if you need a confidential conversation with us. There are three groups, and they meet at the following days/times each week. Please check your email to see which group you are in and for the Zoom code and password. Please join with cameras on!

**Group A:** Tuesdays 12.00-12.30

**Group B:** Thursdays 10.00-10.30

**Group C:** Thursdays 10.30-11.00

*Please note that if you do not attend and we cannot reach you by phone, we may have to contact parents or emergency contacts to check that you are okay.*

## January Students

Please speak to your Progress Coach to **update them on your current location and any plans to return to your country over the summer**. If you are making travel plans, please notify [isc@hud.ac.uk](mailto:isc@hud.ac.uk) and confirm once you safely arrive in your country.

For students staying in the UK, you will be asked to attend a short meeting each week until you start at the university in September.

## Wellbeing Advice for Exams

Read an article on [14 ways to beat exam stress](#). The tips include creating a timetable for your exam preparation, using apps to block your social media notifications and rewarding yourself after a study session with a 'Beyonce break'!

## UK Lockdown Update

From **Friday 24th July** it will be **compulsory** to wear a face mask in shops and supermarkets, in addition to the existing rule about public transport. Masks are available from places such as supermarkets and pharmacies.

Please also continue to follow the advice regarding hand washing and maintaining a safe distance from people in public.

You can read all the UK government advice [here](#).
