Hey, congratulations and a big welcome to the Wealthier World trading family from me, Nikki KnowsNow.

2. MetaTrader 4
3. Zoom cloud meetings
4. Telegram

**Step 4** - Open your Demo trading account by clicking on <https://www.icmarkets.com/en>

Register and follow the instructions on page 6 of the Wealthier World Launch Document. Ask the person who invited you to join this platform how to add the major currency pairs to your home screen in the app.

*\*N.B. It is advised that you only trade on demo until you feel comfortable. You should also watch the IM Academy FRX Basics videos FRX101 - FRX104 before trading live (accessible via [im.center](#)).\**

**Step 5** - Write a list of 30 people that you can help with this skill and begin to invite them to our next event/zoom call. Write a list of 100 if you are keen to become an Independent Business Owner!

Give 5 of the names to the person who invited you to join the team - 5 names of people who you believe need to make money or would enjoy this platform, and they will call them on your behalf.

**Step 6** - Join the team online! Follow @wealthierworldofficial on Instagram. Unlock your instagram page and update your bio to include 'Forex Trader @wealthierworldofficial'. If you are unsure of how to do this, ask your closest Team Leader.

**Step 7** - Watch the relevant 'how to place a trade' video below:

## Create a Goal Card

Write your goal down **by hand** as if it is already accomplished. Carry it with you everywhere you go, for example, in a wallet or purse, so that you will look at it multiple times a day.

Example:

*'I am so happy and grateful now that I, [Jonathan](#), have [paid off my parents' mortgage](#) by [2nd February 2021](#).'*

## Create an Operating Rhythm

The Operating Rhythm is designed to help you manage your time and prioritise your commitments.
